WASHINGTON KITEFLIERS ASSOCIATION

## ARE YOU READY FOR "TERRIFIC TUESDAY"?

Dedicated to helping  
people know how much  
fun it is to fly kites!

As August approaches, plans are moving forward for another "TERRIFIC TUESDAY" at Washington State International Kite Festival.

Everyone who participates throughout the day earns points for their team in the battle to win the right for possession of the "Terrific Tuesday Top Team" banner for the coming year. Teams represent kite clubs, or groups of clubs, or groups of people formed for the specific purpose of pursuing the banner, or . . . In past years, groups have pooled their resources to assure success.

The day begins with "Pretty Kite" at 10 a.m. As the name implies, this light-hearted competition is for any kite, either handcrafted or commercially built, that you consider pretty. As long as it flies, it qualifies for this category. (In keeping with the casual spirit of the day, kites destined for Thursday's handcrafted competition are excluded.)

Club Camps, an event identical to the "Terrific Territories" held later in the week, will be judged from 11:00 to 12 noon.

After lunch, "Pun Fun" begins. This year's categories include "We're Out of Shape", which includes kites that defy definition; "Delta Upins Ki", for delta and delta derivative kites; "Dragon the Line", including dragon kites and kites decorated with dragons; "Go With the Flo" for flowforms; and "It's Only Rok and Rollers", a blend of Rokkaku's and roller kites. During the last category, everyone wearing a Hapi coat will score in the "Hapi to see you" category.

The final event of the day is an individual Rokkaku battle, scheduled for 4:30.

So, if you're in Long Beach on Tuesday during WSIKF, come down to the beach and join in the fun. See you there!

Judy Brown, Day Coordinator, Terrific Tuesday

## President's Prose

Sorry I missed talking to you in the last newsletter. I was catching up at work after attending a World Kite Museum work shop and Ft Worden. Both of which I highly recommend.

The World Kite Museum workshop I attended was taught by John And Marzlie Freeman. The Freeman's taught Bargello quilting designs on a Della Porte. The class was well taught and was very relaxed. Most classes at the museum are two days and are well worth the time. If you are interested contact Jody or Kay at the museum (360-642-4020) or by E-mail at [jkite@willapabay.org](mailto:jkite@willapabay.org)

Ft Worden has more going on than most can comprehend, but it's sure fun to try to take it all in. All the People who make the Ft Worden Kitemaker's Retreat happen should give themselves a pat on the back for doing such an excellent all around job.

Something that was disappointing at Ft Worden was the turnout for the WKA annual meeting, at the most we had five people there. I am looking for suggestions for next year's meeting, to increase attendance. I know that we are competing with a lot at the Retreat, but we have to do something. Let me know if you have any ideas on the next WKA meeting.

This will be a busy summer as usual for festivals. The first weekend in June is the Ocean Shores Kite Challenge, put on by the North Coast Sky Painters. The second weekend in July is the Westport Windrider's Kite Festival at Grayland Beach. And once again the Third week in August is the Washington State International Kite Festival in Long Beach. I understand that SciFi is not holding their festival at Ft Casey this year because of rising costs. Let's hope that they find a new location for next year their event will be missed this year! See you on the Beach!

# A Call for Candidates

The WKA needs you! We are looking for people to run for the various offices of the WKA. We need to have more people running for the positions. It is my dream that we have an election where the outcome is in doubt because more than one person ran for an office. I know that this is an outlandish dream, but let me have my delusions.

The following is a list of the available WKA Officers and Board positions. Officers: President, Vice President, Secretary, and Treasurer. Board Members: Education, Membership, Merchant Liaison, Newsletter, Products, Special Events Coordinator and Past President.

Although the members of the board enjoy their jobs we won't be around forever and there should be some change in the board from time to time just to keep things fresh. There are a lot of positions, you should be able to find your niche in one of the positions.

In keeping with the idea of keeping things fresh I will not be running for President of the WKA next year. So it is important that we find at least one new candidate. However to ease the fears of anyone considering running I will remain active as the Past President and will assist the new President in anyway I can. I will be forming a nomination committee in the next month or so, to form our next group of candidates.

## RETREAT 2000

The Oregon Kitemakers Retreat Committee has been busy lining up instructors for Retreat 2000, set for Thursday - Sunday, January 20th - 23rd, 2000. The following instructors have been confirmed:

**Brooks Leffler** (CA) - Aerial Photography, **Gerogean Curran** (WA) - Marbling, **Charlie Sotich** (IL) - Miniatures, **Scott Hampton** (UT) - Yard Birds, **Barry Polter** (UK) - Applique, **Gerry Pennell** (WA) - Beginning Sewing, **Sue Clark** (WA) - Color Wheel/Line Art, **Dave Colbert** (WA) - Delta Kite, **Bary Crites** (WA) - Rotating Box, **Rick Brown** (OR) - Cody, **Valerie James** (OR) - Kite Bag

There are a few new changes for Retreat 2000. We have added an extra nights lodging (Thursday night) and breakfast on Friday morning. Due to these added changes, the registration fee will be \$145 for the weekend, with early registration being \$120 due by December 1, 1999.

Due to the number and size of classrooms, Retreat 2000 will be limited to the first 100 people registered.

We will again be offering t-shirts, sweatshirts and/or a denim shirt with pre-paid early registration.

If you are interested in being part of the committee to plan Retreat 2000, please e-mail us at [orkitemkrs@aol.com](mailto:orkitemkrs@aol.com), or call us at (360) 699-4871.

We will keep you updated as new information comes along. We look forward to seeing you at Retreat 2000.

## Tom and Jean

Hi Kiteers,

It's not hard to speak for those of us who were at the Sisson's 50th Wedding Anniversary party. What a wonderful celebration with 150 guests. Tom and Jean's daughter Diane, son-in-law Greg and grandsons Joe and Brad planned everything, and it was perfect. There were displays for our enjoyment, of the Sisson's life in the past 50 years of togetherness. A great slide show of photos of family and friends, all inclusive of the happy couples life and love for each other.

Tom was dressed to a tee. Even his mixed colored socks added a flare (his flare), of which we always enjoy. Jean was a beautiful "young bride", and greeted everyone with her usual warmth that included you into her family circle.

Tom and Jean are blessed with so many friends and loving family, and so are all of us... to be part of their life.

Best wishes to you both Tom and Jean. Keep up the wonderful love you have, and we'll all hold onto your heart strings... and your kite strings.

Love Barbara Anne and Roger Veil

## Thank You

Tom received a short "Thank you" letter from the Mercer Island Park Department for the fly held on April 17. It said: "Dear Tom: I'd like to thank you, Sylvia, and Stan for all your hard work at Mercer Island Parks and Recreation's first annual "Go Fly A Kite" event. Because of you, the event was quite a success! The kids and adults had a great time making and flying their kites. Stan's kites were a great hit and lots of fun to watch fly.

Thank you so much for all of your help and time.  
signed Diane Dobler, Special Event Coordinator,  
City of Mercer Island"

## To All Our Kite Friends!

We want to thank you for all the good wishes extended to us on the celebration of our 50th anniversary.

The E-Mails were great and even though our computer is not up and running, our daughter let us look at screen fun!

A special thanks to all our out of town friends who joined us. WHAT A SURPRISE!

As ever,  
Jean & Tom  
(Sisson that is)

## 80th Birthday!

Frances Chinn's 80th birthday party was held by her family, April 24th at Hong's Garden in Seattle.

Many members will remember Larry Chinn and his hand painted kites. Congratulations "FRANCES". Anyone wishing to send good wishes may do so at: 4600 S. Othello St., Seattle, WA 98118.

## Editor's Echo

The newsletter snuck up on us this time. I can't believe how fast the year is going by already. As I write this it is one week away from the Ocean Shores festival. By the time you read this it will be long gone and the Long Beach festival will be just around the corner. They will be coming fast and furious for a while here. I have been spending a lot of time practicing trying to get ready for comp. At least the wind and weather have been favorable.

In case you missed it last newsletter, the Whidbey Island festival that is held the last weekend of September is cancelled. Also the Rockaway Beach festival that is in October has gone from questionable to cancelled. Hopefully both will be back next year.

A lot of articles were sent in this time and we want to thank all of you participating in this newsletter. Tom sent in a couple kite plans that I am going to be putting in the newsletter later in the year when typically it is harder to get articles.

We are looking forward to seeing you all soon!

## Convention Center Kite Show

by Sylvia Bernauer

The Galleria atrium space at the Washington State Convention and Trade Center looked very colorful with 60 kites of all types and vintages hanging from the ceiling. They could be seen as one traveled up the escalator to the top floor.

The kites had been carefully wired to the correct flight angle and hung by the Center staff who made countless trips up and down with a 30-foot lift to reach the ceiling with the assembled kites. The kites were gently swaying in the breeze of the circulating air in the space. Many people enjoyed seeing the show which was listed on the official National Kite Month schedule of events.

Many thanks to those that responded to the post cards sent out and loaned kites to be shown during the six weeks from April 1 to May 10. They included: Robert (Mr. Kite) Day, Ken Howard & Candy Peterson, Gene Smiley, Mark & Brenda Sewell, Charlie Bixby, Harold Writer, and Rob Pratt. Loans from kite shops included Erv & Gail Crosby from Four Winds Kite Shop, Kathy Goodwind from Gas Works Kite Shop, Suzanne Sadow from Great Winds Kites, and Scott from Prism Designs Inc. Tom Sisson, Stu Murphy, Bob Meneghini and Sylvia Bernauer loaned kites and helped assemble and then take down the exhibit on May 10.

Signs were displayed that credited our club as well as the AKA and Drachen Foundation for sponsoring the show. Tom Sisson acted as coordinator for the kites and with the Convention Center. We also would like to thank Sharon Ducey and Jacqueline Smith and the members of the Convention Center staff for their help in making this show possible.

Many people commented that they were sorry to see the kites come down at the end of the show. They had really looked great in the Center.
